MEMORANDUM FOR MR. McNAMARA

1. Attached represents results of fleet aerial reconnaissance to date of Soviet ships departing Cuba.

2. We have no fleet photography of the BRATSK which departed Mariel 5 November via Havana 7 November. However we do have U-2 photography of the BRATSK at sea on 7 November showing two missile transporters on deck.

3. The attached photography, together with the U-2 photography, accounts for the ANOSOV, BYNDERSK, KURCHAYOV, and BRATSK, for a total of twenty missile transporters - canvas covered. The LARINSK reportedly departed Havana 5 November. No fleet aerial reconnaissance report received to date.

4. The last known position of the following ships is as follows:

<u>NAME</u>	<u>IN PORT AT</u>
POLZUNOV	MARTEL
VOLGALES	MARTEL
KONSCHEL	CASTLEA
ALAPATYVSK	LAISABELLA

5. In addition also attached are photographs of the Soviet passenger ship NIKOLAYEVSK, which departed Havana 5 November.
